Planning Comments

10/0598

0599

Conversion of commercial building to dwelling with associated parking at Senecio Press, Park St. Demolition of parts of site.

1. Can consideration be given to surface water disposal given the extent of hard standing being provided for vehicles. Can a porous material be used to avoid displacement of surface water to Park St.
2. Is one car parking space sufficient? It appears that space exists for further provision which would probably be necessary for a 3 bed property as proposed.
3. The design proposed for the conversion is considered to be attractive.
4. Can the concerns of near neighbours be given consideration
5. Otherwise no objection.

10/0586

Alterations to provide PA system, customer service equipment and CCTV at Charlbury Station.

1. We have no objection

10/0614

0615

Two storey rear extension. Alterations to existing barn (to allow changes to 09/0718) at Crinan House, Market St.

1. We would ask that use of the ancillary accommodation be conditional to occupancy of Crinan House
2. Otherwise no objection.

10/0630

Change of use of part of dwelling to form self contained annexe/ holiday let. Erection of external staircase to serve new unit at Lower Watts House, Park St.

1. We would ask that use of the accommodation proposed be conditional to the occupancy of Lower Watts House to avoid the establishment of a separate dwelling.
2. Can the neighbours comments concerning overlooking be given careful consideration
3. Otherwise no objection.

10/0664

Change of use from ancillary accommodation to holiday let at Reeves Bar, Pound Hill.

1. We would request a condition be attached to the proposed change of use to the occupancy of Reeves barn to avoid the establishment of a separate dwelling.
2. Otherwise no objection

10/0695 Erection of single storey extension at 2 Falcon Villas

1. We have no objection

10/0697 Erection of single storey extension 22 Jeffs Terrace

1. Has neighbour notifications taken place? There is some concern that it may not have been in respect of neighbours fronting Thames St.
2. There may be a need to clarify land ownership issues in respect of the area allocated for parking.
3. The proposal is potentially an over development of the site with respect to the proximity of the edge of the extension as proposed to the existing stone wall
4. It is understood that the access from Nineacres Lane is a shared one providing rear access to properties fronting Thames St. (hence point 1)
5. Can this go to committee please in view of the issues raised above.

10/0705 Erect detached two storey dwelling with parking land adjacent Hixet Wood cottages.

1. Can neighbour comments be given careful consideration please
2. Otherwise no objection.

10/0716 Removal of existing garage and conservatory. Erect single and two storey rear extensions and new detached garage (To allow increase in width of garage) at 1 Falcon Villas, Hundley Way.

1. We have no objection but ask that it be conditional for uses as garage / storage space only for the avoidance of alternative use.

14. To hear the remarks of the County and District Councillors with reference to Charlbury

County Councillor Mr Neil Owen reported as follows:-

The three salt bins paid for but not installed will arrive by July.
He hoped to arrange help for litter clearing following the Riverside Festival (Community Service)

OCC are undertaking a Minerals Survey

Questions. Dean Pit – proposed closure and new site

Mr Owen to seek answers

Recycling of re-usable items. Mr Prew expressed concern that these now appear to be placed in a skip rather than being set aside as used to be the case. Mr Owen to seek answers, Obscured and dirty signs an issue.

District Councillors

Mrs Glenna Chadwick reported (as Mr Breakell was engaged elsewhere) on behalf of both.

New Council has been sworn in with new Chairman.

Museum grant given to Charlbury Museum.

Planning changes to allow the public to address sub committees are in force for a trial period of six months.

The Chairman asked if a grant had been made by WODC to the Riverside Festival.

15. To consider Affordable Housing

The Chairman reported that a meeting had taken place on 25th May with the developer and SOHA to discuss the current position and how to proceed. The question of energy efficiency standards was raised, specifically Code 4 as requested by Council and the developer and SOHA responded by saying that this standard would be specified in the terms of the funding provision. A marker is to be made to seek to ensure that the proposed developer has funds earmarked. Next stage will be to discuss a draft scheme with planners and then to proceed with an application/presentation to Charlbury TC and WODC.

Mr Cox asked if allotments had been considered as a potential land use at the site. The Chairman said the matter had been discussed with general reference to other uses for the exception site.

The Chairman reported that he had briefed Mr Breakell on the outcomes of the meeting.

There being no further business the meeting closed at 9.50pm.
